

“No Surprises” Price Quote Guarantee

In the present economic climate, confidence is a principle that we cannot afford to lose. We value your business and also your confidence in us as packaging experts and professionals.

We know that when selecting packaging products and solutions, finding the right value for your money can be a daunting task. Comparing prices from various suppliers can even be a true challenge. This is why we offer our “No Surprises” guarantee:

1. We will provide complete product specifications for each product we are quoting.
2. We will include all charges to provide you with a total solution including:
 - Printing Plates
 - Color Matching
 - Artwork & Design
 - Special Handling & Packaging
 - Over/Under Run Percentages, if any...
 - Finishing
3. We will include a clear expiration date.
4. We will indicate all applicable taxes.
5. We will estimate shipping and handling charges based on your shipping information.
6. We will clearly state our return policies.

When you receive a price quote from our representative, you can be confident that you’ve got the total package. We’ve wrapped everything together for you – sometimes with a bow! The price we quote is the price you pay. If any other charges arise or if we’ve forgotten anything at all – it’s on us.

Guaranteed.
